

## Superior Exercise Products Sponsor Offer

### *Superior Exercise Products*

**STRETCH 1<sup>st</sup> Adjustable Rotator cuff / Shoulder warm up Power Cord system – Short Ask any Pro and they'll tell you how important stretching first is! It's never been easier.**

In Less than 2 Minutes!

World's best ergonomically correct handle system allows you to adjust the tension of the cord by sliding the handle up or down to shorten or lengthen the cord. Correct handle position means less stress to wrists and improve range of motion. Use for stretching, and strengthening the **shoulders** and **chest** FAST! Includes instruction chart for six great stretching exercises designed specifically for the muscles used while playing tennis. Easily fits into your tennis bag for storage. Comes in regular resistance for the beginner and start up Athlete (38" length) and advanced resistance for the stronger more aggressive player (44" length).

Warm up **Shoulders, chest**, back and legs **FAST!**

Order yours today and see why people say, "Wow" these cords really work.

### **Our Double Money-back GUARANTEE**

**If your STRETCH 1<sup>st</sup> Adjustable Power Cord breaks within one year, we will replace it or pay you double your money back!**
